

European Section Physical Education

The main objective of the year is to improve

your oral skills in English

- To achieve this, we will focus on physical activities and discuss different aspects of them : technique, strategy, rules, equipment, training.
- you'll have to learn specific vocabulary about sports, but also general vocabulary useful in everyday life.

condition 1

- Be interested in what you do (english and sport, be curious)

condition 2

- take time to learn (vocabulary, knowledge, sentences)

condition 3

- Practise and practise again (speak, listen, read, write, watch videos, browse the internet in English)
